

The background is a complex, abstract composition of swirling, organic shapes in a variety of colors including light blue, pink, purple, green, and white. Interspersed within these swirls are stylized, high-contrast faces or masks, some in black and white, others in color, creating a surreal and artistic visual field.

BARE NECESSITIES

A natural, clean, no-make-up look is a perennial summer beauty favourite, and its starting point should be skin that feels calm, fresh and perfectly moisturised at all times.

1. A firming, smoothing eye cream that also helps to reduce swelling, rings and fine lines around the delicate eye area and nourishes and improves the skin's elasticity. Anti-Ageing Eye Cream 15ml, £150 **Susanne Kaufmann**. 2. This day cream provides daily, intensive care for the prevention of wrinkles. It smoothes, revitalises and fights all skin problems that come with growing older. Anti-Ageing Day Cream 50ml, £158 **Susanne Kaufmann**. 3. Giving immediate hydration in just a few drops, this lightweight oil helps to rejuvenate and clarify skin, creating a healthy, sheer glow. Rose de Mai Face Oil 30ml, £150 **Chantecaille**
