Aurelia Miracle Cleanser glides on to the skin and lifts off all impurities. It contains BioOrganic plant and flower essences to hydrate and soothe dull and dehydrated skin. Fragranced with an uplifting essential oil blend of eucalyptus, chamomile, rosemary and bergamot, the cleanser, along with the antibacterial bamboo muslin cloth, buffs away dead skin cells and make-up whilst helping to stimulate the skin's natural renewal process.

Suitable for all skin types, including sensitive
£34.00

The Body Shop Vitamin E Gentle Facial Wash is a rich and creamy facial cleanser which lathers on the skin leaving it clean, soft and refreshed. The vitamin E locks in moisture and keeps the skin hydrated. It contains Wheat Germ Oil to help combat dryness which is a bonus in these winter months.

Suitable for dry and sensitive skin
£8.00

REN Mayblossom T-Zone Control Cleansing Gel is perfect for balancing. The gel is an antibacterial facial cleanser for skin that is prone to oiliness and breakouts, particularly in the T-zone. With Bio Extracts Salicilin from Willow Bark it provides mild exfoliation and antimicrobial properties to purify problem skin, reduce pore size and minimise spot formation as well as Guaiazulene from Blue Cypress Essential Oil which calms redness and soothes minor irritations.

Suitable for combination skin and prone to break outs
£17.00

NUDE Purify Cleansing Wash is a deep cleansing foaming wash with n-probiotic™ and cinnamon extract which thoroughly removes impurities and excess oils for a clear, balanced complexion. Containing the pioneering n-probiotic™ active cell nutrient and pure, active plant oils rich in omega 3, 6, 7 and 9 cells are nourished from the inside out. The cleansing wash leaves your skin looking luminous and younger looking. NUDE Skincare range is free from parabens, sulphates, mineral oil, gluten and silicones, making it ideal food for the skin.

Suitable for oily and combination skin types
£20.00

EDITOR'S
CHOICE

Cleansing is an important part of our skincare ritual, as everyday our face accumulates a build-up of make-up, oil and dirt. Using the right cleanser for your skin type is important as it provides a wealth of benefits to your skin, not just cleaning. Here are some of our favourite facial cleansers.
