

NEXT-GENERATION SKINCARE

DISCOVER THE POWER OF PROBIOTICS

WELCOME TO AGE PREVENTION

AURELIA PROBIOTIC SKINCARE

Introducing new British brand, Aurelia Probiotic Skincare, a luxury, treatment-infused, scientifically proven age preventative skincare line. The latest industry breakthrough fuses next-generation probiotic, repair and peptide technologies with the finest 100% BioOrganic botanicals. Supporting the skin's defence system with supercharged levels of probiotics and peptides is essential for radiant and youthful skin. Aurelia Probiotic Skincare's technology uses immune modulatory glycoproteins to generate targeted impulses within the skin, balancing stress-damaged skin whilst stabilising the skin's defence system. It works to protect against the visible signs of skin ageing, prevents cellular DNA damage, boosts collagen and hyaluronic acid levels and is proven to counteract the damaging effects of UV to collagen and elastin.

LUXURIOUS, NATURAL PROBIOTIC SKINCARE

FREE FROM synthetic fragrances, parabens, mineral oil, silicones, sulphates, propylene glycol, phthalates, GMOs, PEGs, TEA and DEA.

WE NEVER TEST ON ANIMALS

"I have spent long days in the lab to ensure the science behind Aurelia Probiotic Skincare offers women the best age prevention technology out there and I feel very excited about how this can help women prepare their skin to retain youthful radiance. I love tweaking and refining our prototype formulations until they are just right – the perfect balance between science, nature and luxury. I believe that beauty is all about discovery, from working with our fragrance teams to blend essential oils that provide exquisite fragrances to benefit both body and mind to a recent research trip to Southern Africa where we found ourselves trekking through remote forests discovering unique botanicals to add to our scientific technology for subsequent ranges."

CLAIRE VERO - FOUNDER

MIRACLE CLEANSER

£34.00 (120ml)

For all skin types, including sensitive

This intelligent, aromatic, creamy infusion glides on to the skin and lifts off all impurities and make-up. It fuses probiotic and peptide technologies with BioOrganic plant and flower essences to hydrate and soothe dull and dehydrated skin promoting a luminous, dewy, radiant glow whilst helping to prevent skin ageing. Fragranced with an uplifting essential oil blend of Eucalyptus, Chamomile, Rosemary and Bergamot this creamy cleanser, along with its soft antibacterial bamboo muslin cloth, buffs away dead skin cells and make-up whilst helping to stimulate the skin's natural renewal process. This in turn speeds skin cell turnover, resulting in a brighter complexion with fresher, younger skin cells ready for hydration on the surface.

TO USE:

To achieve ultimate daily results follow our indulgent two-step process.

STEP ONE: Apply the creamy cleanser to dry skin and massage deeply with fingertips to lift daily grime and make-up away from the skin and stimulate circulation.

STEP TWO: Remove cleanser with Aurelia's antibacterial bamboo muslin to gently exfoliate and reveal a bright, clean and glowing complexion. Ensure the cloth is warm and damp and gently sweep over the skin. Pat dry and follow with Aurelia Probiotic Skincare's Revitalise & Glow Serum. An antibacterial bamboo muslin is supplied with the product.

Dermatologically tested.

REVITALISE & GLOW SERUM

£47.00 (30ml)

For all skin types, including sensitive

A lightweight and easily absorbed potent age prevention fluid. It fuses Aurelia Probiotic Skincare's technology with BioOrganic plant and flower essences, enabling accelerated action on the dermis layer within the skin while depositing probiotics, peptides and antioxidants where they are most needed. Concentrated BioOrganic 100% pure botanicals include Baobab which is rich in precious Omega 3, 6 & 9 to revitalise the skin, soothing and firming Kigelia Africana and Hibiscus to fight oxidative stress, combined with a powerful dose of vitamin E.

Naturally fragranced with a delicate blend of Jasmine, Plumeria, Tuberose and Mandarin, this addictive serum works to hydrate and soothe dull and dehydrated skin promoting a luminous, dewy and radiant glow whilst helping to prevent skin ageing.

TO USE:

Use two drops, apply to clean skin with fingertips and work in using firm patting and sweeping motions to the face, neck and décolletage.

Use Revitalise & Glow Serum day and/or night, alone or under Aurelia's Cell Revitalise moisturisers. Ideal for use prior to applying Aurelia Probiotic Skincare Cell Repair Night Oil.

Dermatologically tested.

CELL REVITALISE DAY MOISTURISER

£42.00 (60ml)

For all skin types, including sensitive

This lightly whipped, clinically advanced luxurious cream fuses probiotic and peptide technologies with plant and flower essences to hydrate and soothe dull and dehydrated skin promoting a luminous, dewy and radiant glow whilst helping to prevent skin ageing.

Concentrated BioOrganic 100% pure botanicals include Baobab, rich in precious Omega 3, 6 & 9 to revitalise the skin, soothing and firming Kigelia Africana and Hibiscus to fight oxidative stress. Borage oil, one of the richest sources of the essential fatty acid GLA, locks in moisture whilst regenerative Mongongo oil offers abundant levels of natural vitamin E.

Naturally fragranced with a delicate essential oil blend of Jasmine, Plumeria, Tuberose and Mandarin, this intelligent moisturiser also acts as the perfect make-up primer thanks to the potent levels of peptides which work to leave the skin's surface hydrated and photo-finish smooth.

TO USE:

In the morning after cleansing apply cream with fingertips to the face, neck and décolletage. Massage in to boost circulation and achieve the ultimate radiant glow.

Dermatologically tested.

CELL REVITALISE NIGHT MOISTURISER

£42.00 (60ml)

For all skin types, including sensitive

This nourishing, clinically advanced cream fuses probiotic and peptide technologies with plant and flower essences to hydrate and soothe dull and dehydrated skin promoting a luminous, dewy and radiant glow whilst helping to prevent skin ageing.

Concentrated BioOrganic 100% pure botanicals include Baobab, rich in precious Omega 3, 6 & 9 to revitalise the skin, soothing and firming Kigelia Africana and antioxidant-rich Hibiscus to fight oxidative stress. Borage oil, one of the richest sources of the essential fatty acid GLA, locks in moisture, regenerative Mongongo oil offers abundant levels of natural vitamin E and Shea butter enables this cream to melt delightfully into the skin.

A delicate but relaxing essential oil blend of Neroli, Lavender, Rose and Mandarin work harmoniously within this luxurious, hydrating overnight moisturiser.

TO USE:

At night after using Aurelia Probiotic Skincare's Miracle Cleanser and Revitalise & Glow Serum, apply cream with fingertips to the face, neck and décolletage. Massage in to boost circulation and achieve the ultimate radiant glow. If the skin is very dry, apply over Aurelia Probiotic Skincare's Cell Repair Night Oil for even deeper hydration.

Dermatologically tested.

CELL REPAIR NIGHT OIL

£45.00 (50ml)

For all skin types, including sensitive

An intensive overnight boosting treatment which works in tandem with the skin's nightly repair mode. BioOrganic 100% pure botanicals ensure this exquisite oil instantly absorbs to work on all fronts. Kalahari oil provides abundant essential fatty acids, Mongongo oil restructures and regenerates the epidermis, Kigelia firms and tones, Baobab delivers precious Omega 3, 6 & 9 and the antioxidant properties of Hibiscus fight free radicals and reduce oxidative stress.

Naturally fragranced with a floral blend of Neroli, Lavender, Rose and Mandarin, this addictive Cell Repair Night Oil works to hydrate and soothe dull and dehydrated skin, promoting a luminous, dewy and radiant glow whilst helping to prevent skin ageing.

TO USE:

Pipette two drops into the palms of your hands, relax, inhale and massage in to your face, neck and décolletage using fingertips. Use after applying Aurelia Probiotic Skincare's Revitalise & Glow Serum to optimise the probiotic benefits.

For normal to combination skin, use as a treatment three times a week. For dry skin use daily and for very dry skin use daily and apply underneath Aurelia Probiotic Skincare's Cell Revitalise Night Moisturiser for even deeper hydration.

Dermatologically tested.

AURELIA PROBIOTIC SKINCARE IS SCIENTIFICALLY PROVEN TO:

PROTECT AND BALANCE stress-damaged skin, stabilising the skin's defence system

Control inflammation within the skin and REPAIR cellular DNA damage

Dramatically increase fibroblast synthesis. Result: REVITALISED, firm and hydrated skin

NOT JUST A PRETTY BOTTLE... LUXURY,
SCIENCE AND NATURE EXQUISITELY
COMBINED.
