STYLE NEWS

BLOWN AWAY

YOU might think salon-smooth locks are beyond your regular DIY blow-dry, but the Bb All-Style Blow Dry is primed to make the most of medium to fine locks as well as those which are oil-prone. Oil-absorbing powders work in a cream formulation to keep hair fresh for longer and help you recreate your style of choice. Light and non-greasy, hair feels positively bouncy after use. *Bb All-Style Blow Dry*, £23, Bumble and Bumble (www.bumbleandbumble.co.uk)

GET HAPPY

WITH the third Monday in January (that lethal combo of long dark nights, broken diets and resolutions) meant to be the most depressing day of the year, you might be in

need of a little pick me up come tomorrow morning. A quick spritz of Clinique's floral fragrance Happy, with its blend of ruby red grapefruit, boysenberry bush flower and Hawaiian wedding flower, could lift the mood; at the very least you'll smell divine. *Happy Perfume Spray*, £39, Clinique (www.clinique.co.uk)

NIGHT DELIGHT

IT COULD be the concentrated BioOrganic 100 per cent pure botanicals, including baobab, rich in omegas 3, 6 and 9, the anti-oxidant-rich hibiscus, moisture-locking borage oil, shea butter or the combination of relaxing oil blends, but Aurelia's night moisturiser is one luxuriously hydrating cream. Massage in well to boost circulation and leave your skin feeling nourished and cared for.

Cell Revitalise Night Moisturiser, £42, Aurelia (www.aureliaskincare.com), available at SpaceNK (www.spacenk.com)

LIGHTEN UP

THE heavier winter tones are starting to make way for sheer, lightweight colour and application. Mac's new spring shades are meant to be lightly built with gentle layers. Six shimmering eye shades in a sheer powder format set the tone – from Just Breathe in a shimmery light blue to the pale

lemon interest of Spiritual Life. A lighter look at life. *Mineralize Eye Shadow*, £17, M.A.C. (www.maccosmetics.co.uk)
