BEAUTY

AND RELAX...

Indulge yourself with some of our favourite products to help you unwind and relax.

Light Up & Set the Mood.....

The use of aromatherapy is renowned for having a positive effect on emotional well-being. **Ark - Home Aromatics** have developed a range of products using pure essential oil blends that will support and nurture you throughout the day and create an uplifting ambience in your home. This range is perfect to help you find the mental and emotional balance needed to reach optimal skin

and body health.

And Relax....

Aurelia - Cell Revitalise Rose Mask

This indulgent, soothing Cell Revitalise Rose Mask delivers botanicals and probiotics to the skin, reducing inflammation and restoring balance. Damask Rose Absolute produces an exquisitely scented floral note, adding a warm serenity to the blend. This mask works wonderfully to hydrate and soothe dull and dehydrated skin. The result: a beautiful, luminous, dewy and radiant glow whilst helping to prevent signs of premature skin ageing. Inspired by ancient Ayurvedic restorative therapies, this rich treatment will relax and calm.
