From Anti-wrinkle creams and lotions, to serums and gels, there is a wide range of anti-ageing products on the market. Here are our top products to keep your skin looking radiant, smoothed and most importantly wrinkle-free.

## REN Skincare - Frankincense Revitalising Night Cream

One of our favourite anti-ageing products at Curvaceous Inc is the Frankincense Revitalising Night Cream from REN that includes Bio extracts of Vitamin C and Citroflavonoids that come from the Calabrian oranges. These reduce free radical damage and boost the collagen formulation to lift and firm the skin. It is hydrating and recharges, leaving your skin radiant and smoother. 50ml £32.00 [www.renskincare.com](http://www.renskincare.com)

## Aurelia - Cell Revitalise Day Moisturiser

Aurelia Pro-biotic Skincare range is based on Pro-biotic technology which targets inflammation and anti-ageing. With 100% pure botanicals including Baobab, which is rich in Omega 3, 6 and 9, it revitalises and protects against skin ageing. The moisturiser is delicately scented with Mandarin, Tuberose, Plumeria and Jasmine and is also a great base for make-up, making it truly indispensable. 60ml £42.00 [www.aureliaskincare.com](http://www.aureliaskincare.com)

## Transformulas - FaceContour & Tightening Creme

The key ingredients in Transformulas FaceContour & Tightening Creme are Tocopheryl Acetate with Vitamin E, which boosts anti-inflammatory and healing properties, and Allantoin, which is a healing agent for healthy tissue and softer skin. It also reduces puffiness and dark circles. Magic in a jar. 15ml £36.95 [www.transformulas.com](http://www.transformulas.com)

## MITOQ Anti-Ageing Moisturising Serum

MITOQ is a unique anti-ageing serum which will rejuvenate your skin cells and enhance your skins appearance. This patented serum will increase collagen reformat which will strengthen your skins structure and make your skin feel firmer. It will reduce the appearance of fine lines and also assist with skin discolouration. 50ml £115.00 [www.mitoq.com/uk](http://www.mitoq.com/uk)

## REN Skincare - Hydra Calm Youth Defence Serum

Hydra Calm Youth Defence Serum contains Bio extracts of Beta Glucan which helps to calm and soothe redness and irritation. The serum protects, replenishes and improves skin tone. A perfect serum for someone with sensitive skin who wants to calm as well as anti-age. 30ml £38.00 [www.renskincare.com](http://www.renskincare.com)

## Aurelia - Revitalise & Glow Serum

Aurelia Revitalise & Glow Serum is a lightweight and easily absorbed potent age prevention fluid. It glides on to the skin smoothly, and gives the skin a dewy and radiant glow whilst helping to prevent anti-ageing. It goes perfectly with the Cell Revitalise Day Moisturiser. 30ml £47.00 [www.aureliaskincare.com](http://www.aureliaskincare.com)

## Clairns - Double Serum

Clarins Double Serum contains 20 pure plant extracts. This lightweight serum hydrates, protects and regenerates the skin, boosting radiance and collagen production and fights the effects of ageing, pollution and stress. 30ml £55.00 [www.clarins.co.uk](http://www.clarins.co.uk)
